VIGIL MECHANISM / WHISTLE BLOWER POLICY
(Effective w.e.f. February 04, 2020)

PREAMBLE

Section 177 of the Companies Act, 2013 requires every listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed.

The Company has adopted a Code of Conduct for Directors and Senior Management Personnel ("the Code"), which lays down the principles and standards that should govern the actions of the Directors and Senior Management Personnel.

Any actual or potential violation of the Code, howsoever insignificant or perceived as such, is a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.

The organization's internal controls and operating procedures are intended to detect and prevent improper activities. In this regard, the Company believes in developing a culture where it is safe for all the Directors/Employees to raise concerns about any poor or unacceptable practice and any event of misconduct. These help to strengthen and promote ethical practices and ethical treatment of all those who work in and with the organization.

The main objective of this Policy is to provide a platform to Directors and Employees to raise concerns regarding any irregularity, misconduct or unethical matters/ dealings within the group which have a negative bearing on the organization either financially or otherwise.

Regulation 22 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as SEBI (LODR) Regulations, 2015) also, inter alia, contains similar requirement for establishment of a Vigil Mechanism or Whistle Blower Policy. It provides for a mandatory requirement for all listed companies to establish a mechanism called "Whistle Blower Policy" for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct.

POLICY

In compliance of the above requirements, Orbit Exports Ltd, being a Listed Company has established a Vigil (Whistle Blower) Mechanism and formulated a Policy in order to provide a framework for responsible and secure whistle blowing/vigil mechanism.

POLICY OBJECTIVES

The Vigil (Whistle Blower) Mechanism aims to provide a channel to the Directors and employees to report genuine concerns about unethical behavior, actual or suspected fraud or violation of the Codes of Conduct or policy.

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations and in order to maintain these standards, the Company encourages its employees who have genuine concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment.

The mechanism provides for adequate safeguards against victimization of Directors and employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases.
